### Verse 1

There is hope in the precious cross of Jesus  
His love is pure, it sets us free  
For He is good and He is filled with mercy  
He showed His power on the road to Calvary  
On the cross, forgiveness rained  
Redemption hill, salvation came  
He took our sin, oh what a sacrifice  
There is hope in the precious cross of Christ

### Verse 2

There is grace in the precious cross of Jesus  
When we were dead, He gave us life  
Spirit-filled, dwelling in His presence  
We bow down to our Savior Jesus Christ

For He came to save the lost  
He is Lord, Lord of all  
By His grace, He opened up our eyes
