Intro

Today, Today, Today

Verse 1

Today, Your love will break through
Your mercies are new
They never fail
And all Your promises are true
Today, Your power displayed
Will not be restrained
Our God You reign
With one voice we proclaim
You are...

Chorus 1

Faithful, You have been so gracious
Through the storms, our refuge
We find our strength in You Lord, in You
We are grateful that You hold our future
Sovereign God Your purpose will prevail
Believing this truth today
Today
Today
We'll live out this truth today

Verse 2

Today, the Spirit will guide
And open blind eyes
That they may see
There is no greater truth but Christ
Today, as always You've been
Forever You'll be
The one who saves
Jesus, there's no other name
You're...

Chorus 2

Faithful, You have been so gracious
Through the storms, our refuge
We find our strength in You Lord, in You
We are grateful that You hold our future
Sovereign God Your purpose will prevail
We'll live out this truth today

Chorus 3

Faithful, You have been so gracious
Through the storms, our refuge
We find our strength in You Lord, in You
We are grateful that You hold our future
Sovereign God Your purpose will prevail
Believing this truth today
Today
We'll shout out this truth today

Ending

Today. Today
