Verse 1

Broken and in need of a Savior
Bound by all my sin and reckless ways
Held down by the weight of my failures
Thought I was beyond Your saving grace

Verse 2

Then You met me in my darkest hour
You pulled me out of the miry clay
Reclaiming what the enemy had stolen
Replacing guilt with freedom in Your name

Chorus

You are the God who redeems
All those wasted years
Rewriting my story,
You came and renewed me
You are the God who restores
More than what was lost
Ashes to beauty, all for Your glory
El Yashib

Verse 3

Where I was expecting condemnation
There You opened up your arms so wide
You didn't treat my sins as they were
nothing
Instead, You paid it with the blood of Christ

Repeat Chorus

Bridge

When I strayed away, Your mercy pursued
Till this wayward child came running to You
My guilt and mistakes, Your blood has
erased
Restoring my soul through Your saving
grace

When I strayed away, Your mercy pursued
Till this wayward child came running to You
My guilt and mistakes, Your blood has
erased
This new life You gave, now I use to praise

Repeat Chorus

Chorus 2

Oh praise the God who redeems
All those wasted years
Rewriting my story, You came and
renewed me
Oh praise the God who restores
More than what was lost
